PARISH OF CARMUNNOCK

Minister: Rev. David T. McKee BA, BD

Telephone: 07946 671733 email: DMcKee@churchofscotland.org.uk

Hello everyone,

I write this article on the evening of the Doors Open Day Festival in Glasgow. According to their website (www.doorsopenday.org.uk), Doors Open Days is Scotland's largest free festival, celebrating places and stories from the past and present. Hundreds of fascinating buildings across Scotland are opened up, often rarely seen or visited. In Carmunnock, folk are encouraged to visit cottages and tenements dating back to the 1700's, the village green and of course, our ancient Kirk.

I have always taken an interest in this festival since I was young, being intrigued seeing different places and buildings. Thus, I am so glad that the Open Day we had in the village went so well, with great tours and a special performance on the organ from Jason Harkin.

But the day also got me thinking.

Wouldn't it be wonderful if, rather than our doors being open for just a day or a weekend, we could find ways to keep them open more often? I've always enjoyed being able to pop into churches, particularly Roman Catholic, where it is often possible to light a candle, sit quietly for a while, and simply enjoy a peaceful, reflective space. Understandably, this isn't always possible. Buildings need to be secure, people need to be available, and there are many practical considerations. But perhaps there is another kind of Open Day that we can all take part in. What about Open Person Days?

Days when our hearts are open. A week when our minds are open. A lifetime when our lives are open, to the needs of others, the hopes of others, the joys and sorrows of others.

Perhaps that is one of the things our faith calls us to be: people whose doors are always open - not necessarily the doors of our buildings, but the doors of our hearts.

There is something wonderfully encouraging about the words of Jesus in Revelation 3:8:

"I know what you do; I know that you have a little power; you have followed my teaching and have been faithful to me. I have opened a door in front of you, which no one can close."

God opens doors for us, but He also calls us to become people who open doors for others - to friendship, to conversation, to hope, to belonging, and sometimes simply to a quiet place where someone knows they are welcome.

So, while we may look forward to the next Doors Open Day, we can also make every day an opportunity for being open to others.

And that is the best kind of Doors Open Day of all.

Your friend and Minister,

David

Luke 11 1-13

11 One day Jesus was praying in a certain place. When he finished, one of his disciples said to him, "Lord, teach us to pray, just as John taught his disciples." **2** He said to them, "When you pray, say: 'Father, hallowed be your name, your kingdom come. **3** Give us each day our daily bread. **4** Forgive us our sins, for we also forgive everyone who sins against us. And lead us not into temptation'" **5** Then Jesus said to them, "Suppose you have a friend, and you go to him at midnight and say, 'Friend, lend me three loaves of bread; **6** a friend of mine on a journey has come to me, and I have no food to offer him.' **7** And suppose the one inside answers, 'Don't bother me. The door is already locked, and my children and I are in bed. I can't get up and give you anything.' **8** I tell you, even though he will not get up and give you the bread because of friendship, yet because of your shameless audacity he will surely get up and give you as much as you need. **9** "So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. **10** For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened. **11** "Which of you fathers, if your son asks for a fish, will give him a snake instead? **12** Or if he asks for an egg, will give him a scorpion? **13** If you then, though you are evil, know how to give good gifts to your children, how much more will your Father in heaven give the Holy Spirit to those who ask him!"

Castlemilk Church of Christ Foodbank

2nd Saturday of Every Month

(This is a non referral foodbank, everyone is welcome)

**465 Carmunnock Road
Castlemilk G45 9PU**

Tel: 07557510378

For over fifty years, the Castlemilk Church of Christ has faithfully served the community in many practical and compassionate ways. Their commitment to Jesus' call to care for the poor is expressed through the Foodbank, held on the second Saturday of each month.

This ministry is entirely self-funded, supported by the congregation and by generous gifts from sister churches such as Clarkston Church of Christ. Many individuals also donate food from their own homes. The Foodbank is not connected to Government-run services, the Trussell Trust, Social Work Care, or Job Centres, and therefore there is no requirement to prove need (red slips). They simply trust the honesty and conscience of those who come.

They provide food, household essentials, and personal hygiene items to anyone facing hardship. Over the past fifteen years, many families have been helped through this quiet and faithful work, which continues with gratitude and reliance on God's grace.

On Foodbank mornings, tea, coffee, and biscuits are offered freely, creating a warm space for conversation and community.

Please donate what you can. Thank you.

The wee craft group are planning their next project after the poppies are finished, which should be completed in a few weeks. If you would like to join us on alternate Monday afternoons at 2pm in the Clason/Reid Hall, you will be made very welcome. Our next project is knitting blankets for the Lodging House Mission, and we would love your help.

If you can knit an 8-inch square in any double-knit wool, please hand them in on a Monday. And if you have any spare balls of wool to donate, the craft group would be very grateful.

Pattern: Cast on 40 stitches on 4mm / size 8 needles and knit until the square measures 8 inches.

A little girl became restless as the minister's sermon dragged on and on. Finally, she leaned over to her mother and whispered, "Mummy, if we give him the money now, will he let us go?"

Important Notice: Fake Websites

The Church of Scotland has been made aware of **FAKE WEBSITES** claiming to run a fundraising lottery, both nationally and on behalf of individual congregations. These sites appear very professional, but they are not connected to the Church of Scotland. The matter has been reported to the appropriate authorities.

Please note that while some of these sites misspell 'Scotland' with two Cs, this is not the only indicator. The absence of the correct Church of Scotland branding, unusual requests for payment, or unfamiliar web addresses should also be treated with caution. Always take a moment to think twice!

If any members have concerns about these websites, they can contact the Church's Law Department at: LAWDEPT@churchofscotland.org.uk

If you are aware of anyone who has given money to this scam, please encourage them to contact Police Scotland.

For clarity, **the Church of Scotland does not run a fundraising lottery.**

How does the word 'forgiveness' make you feel?

It's a very 'churchy' word, isn't it? We often hear that God forgives us, and so we should forgive others. But that can often feel difficult. What does it actually mean to forgive? Does it mean there should be no consequences or accountability for our actions?

When Jesus spoke about forgiveness, He wasn't talking about letting people off the hook or allowing harm to continue. Instead, He was inviting us to release the bitterness, anger, and resentment that keep the cycle of hurt turning in our lives and in our world. People who have been hurt often end up hurting others in turn - through words, actions, and sometimes silence.

Choosing to forgive those who have hurt us doesn't mean there shouldn't be appropriate accountability. It doesn't mean we should remain in abusive or harmful situations. Forgiveness simply means the cycle of hurt ends with us. We shouldn't seek retribution or lash out at those who have caused pain, nor should we pass that hurt on to anyone else.

Forgiveness invites us out of the vicious cycle of harm and into a virtuous circle of mercy. It makes us - and our world - just a little bit better.

CROSSREACH and CHRISTMAS BROCHURE

CrossReach Sunday is on 1st November. This is a special day for our church to partner with CrossReach to bring light to people in need across Scotland. We celebrate the life-changing work of CrossReach and Church of Scotland, from helping those struggling with mental health, to supporting older people, children and families in need. The former 'Eventide Homes' have developed into residential services that not only care for and protect some of our most frail folk, but also help them enjoy life, learn new skills and stay connected with their people and places.

At the other end of the spectrum, we have Erskine Waterfront School, which supplies specialised teaching and support to about 30 youngsters between 7 and 18 years who struggle with mainstream schooling. This is just a couple of our service areas.

One way in which we can support CrossReach is by placing orders from the Christmas brochure. Cards, calendars, etc are of good quality and less expensive than most other charities. I have brochures available and can forward any of your orders and deliver them to you. Please contact me in person or call on the number below. All donations greatly appreciated.

As many of you will be aware, October is Breast Cancer Awareness Month.

Unfortunately, all of us have been touched by cancer, either personally or by someone close to us. Our lives can change dramatically. We experience all sorts of fears, the unknown, what the future holds. Do we have a future? How will our families and friends cope with the news? Let alone the fear of possible surgery and treatments, can we be treated and recover?

We in Carmunnock are very privileged to have a lady among us who has been through this three times. Her journey is fascinating, encouraging, inspiring and uplifting with a positive outcome and helps us all understand more about others' journeys. I am talking of course about Isobel Rutter who will always find a way of being light-hearted, even if in a dark place. There might be some tears, but maybe a few laughs too. I'm sure we will have a good turnout amidst good company in the Reid Hall at 2PM.

All are welcome.

CIAG NEWS

A huge thankyou to everyone who came along to support the *Glasgow Doors Open* event on Saturday 19th September. We welcomed over 54 visitors for the church tours, led by our local historian Iain Marshall, and 26 people attended Jason Harkins' excellent organ recital.

This was a shared event with the Heritage Society and the Castlemilk Hall team. Many of the visitors also enjoyed the Heritage Society's exhibition of old Carmunnock photographs, and there was an opportunity to learn about the remedial work currently underway in the Castlemilk Hall.

Looking ahead, our next two events are already sold out. We look forward to welcoming those lucky enough to have tickets for the Quiz Night in the Clason Hall on 23rd October at 7pm, and for the Cookery Demonstration with Jak O'Donnell and her daughter Jemma on 10th November. Both events will raise funds toward the renovation of the kitchen and toilets in the Clason Hall.

The Clason Hall Renovation Appeal will be launched on 4th October. While we hope to secure most of the funding from various sources, we will still need the support of the congregation and wider community to raise around £20,000 to complete the work. These renovations are essential, as the kitchen and toilet areas are now well below current standards and beyond the point where small fixes can keep things going. Once completed, the hall will be able to support meals, events, and group activities with fully upgraded facilities. Details on how to donate are provided below. Please help where you can.

4th October is Harvest Sunday, when you are invited to bring tins and packets of food for the Lodging House Mission, who provide a warm meal every day for rough sleepers and others needing support. As in previous years, CIAG will provide a light lunch for the congregation and invited guests, and we will formally launch the Renovation Fund at this event. Please contact Rev David or Liz Leslie for more details and to help us gather numbers for catering. (Contact details are on the back page.)

All our usual community events are up and running, and details are included separately in this issue.

Clason Hall Renovation Fund – Appeal for Support

The Clason Hall has been at the heart of our village for generations - a welcoming space for community groups, church gatherings, and countless events. But the reality is unavoidable: our kitchen and toilets are now far beyond the stage where small fixes or patch-up repairs can keep them going.

The facilities are outdated, inefficient, and no longer meet modern standards for accessibility or hygiene. They limit what groups can do in the Hall, make catering difficult, and hold back the full potential of a building that should be serving everyone - young families, older residents, community organisations, clubs, and village events.

We now have a clear renovation plan to put this right, and so we are launching the Clason Hall Renovation Fund. Fundraising events are already in motion, and grants will help, but community support is essential to unlock the full funding required. Every gift - large or small - brings us closer to a hall that truly reflects the life, energy, and spirit of our village.

What the renovation will deliver:

- A modern, safe kitchen suitable for community meals, events, and group activities.
- Fully upgraded toilets, including accessible facilities that meet current standards.
- A hall that is fit for purpose.
- A building that supports everything from coffee mornings to youth activities, celebrations, meetings, and social events.

How you can support the Renovation Fund:

- Make a donation to the Clason Hall Renovation Fund.
- Support upcoming fundraising events.
- Spread the word to neighbours, friends, and former residents.

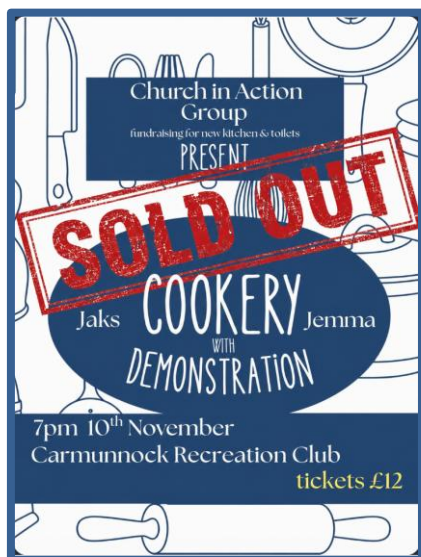

Together, we can ensure that the Clason Hall remains a place of welcome, warmth, and community for the next generation. Thank you for standing with us and helping secure the future of The Clason Hall.

To donate: Bank account details are follows:

Carmunnock Parish Church of Scotland, Glasgow, Clason Hall Fund
Sort code: 80 07 17 Account number: 10301160

Cash donations can be given to Fred Hearle, David Miller or Rev David McKee.

The Fund will run until spring of 2027. **THANK YOU FOR YOUR SUPPORT!**

Introducing 'AtaLoss': Ensuring No One Grieves Alone

Grief can be an incredibly isolating experience, but the UK charity **AtaLoss** is working to ensure that no one has to navigate loss without support. Founded in 2016, AtaLoss is the UK's leading bereavement signposting charity, providing a vital bridge between those who are grieving and the help they might need.

Rather than providing direct counselling themselves, AtaLoss focuses on three main areas:

- **A National Signposting Hub:** Their website hosts the UK's most comprehensive directory of bereavement support. It allows anyone to search by location, age, or specific type of loss to find vetted local and national services.
- **The Bereavement Journey®:** This flagship 7-session peer-support programme uses films and discussion groups to help people process their grief. It is run by hundreds of churches and community venues across the UK.
- **Community Training:** Through their **Loss and Hope** project, they equip local churches and community groups with the tools and training needed to become "bereavement-friendly" hubs.

LHM 360 – Harvest Donation Requests 2026

We are deeply grateful for your faithful support of LHM year after year, it truly makes a difference.

We've put together a short list of the items we need most at the moment. If you're able, please choose from these as they've been carefully selected to reflect what we actually use day-to-day.

We've also included a few everyday essentials that we usually have to buy ourselves. Donating these would save us money that can be redirected to other areas of our work. Your generosity helps us cook hot, nutritious lunches and prepare food parcels for clients who are struggling.

If a cash donation is easier, we'll use it to buy fresh fruit, vegetables and other perishables, helping us keep meals healthy and reduce waste.

Please bring your items to the Kirk on the 4th or 11th of October. Pam and Iain Lowdon will deliver everything to the LHM after the 11th.

Thank you for your kindness and continued support.
